Impact

	Trivial	Minor	Moderate	Major	Extreme
Rare					
Unlikely					
Moderate			Some team members left		
Likely			The quality of the tools used		
Very Likely					Customer requirements change

Porbabliity

Risk	Risk Strategies
Customer requirements change	**Avoid:** Get needs from customer clearly. **Escalate:** Extend the deadline.
Some team members left	**Change in plan :** Employed other qualified people.
The quality of the tools used	**Avoid:** choose tools carefully to get good tools. **Accept :** replace them when we can't able to use.
